

Transaction Outcome Process

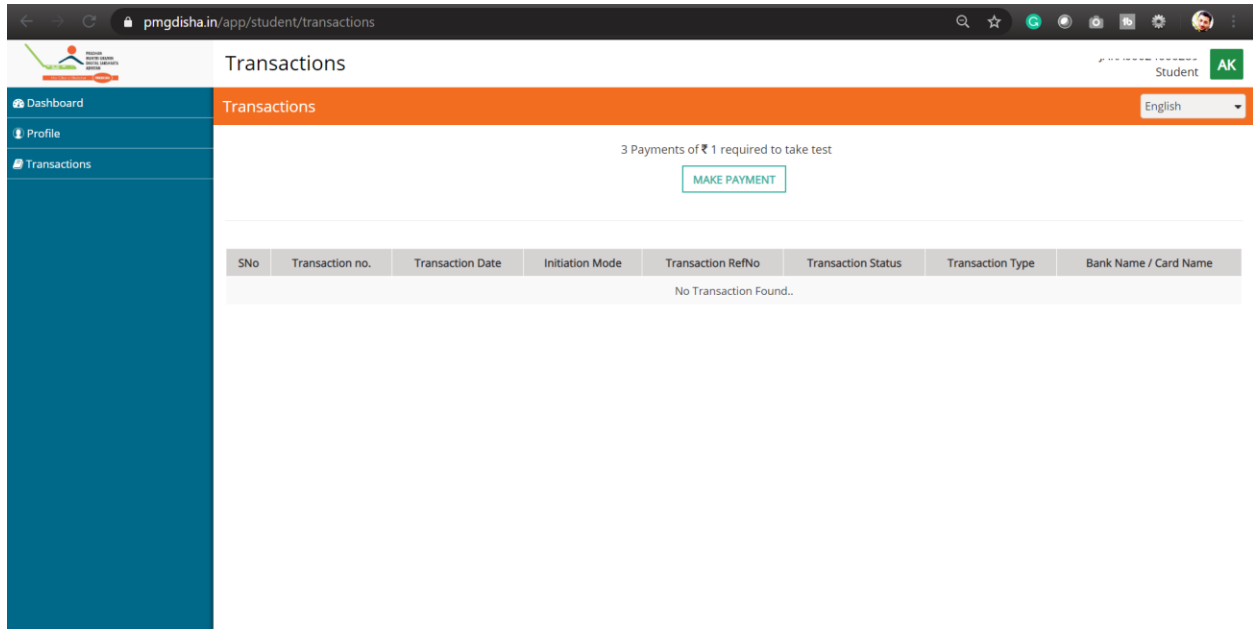

Step-1 - Candidate logged in the account & go to the transaction option & click on Fill outcome Form button which will be mentioned on screen.

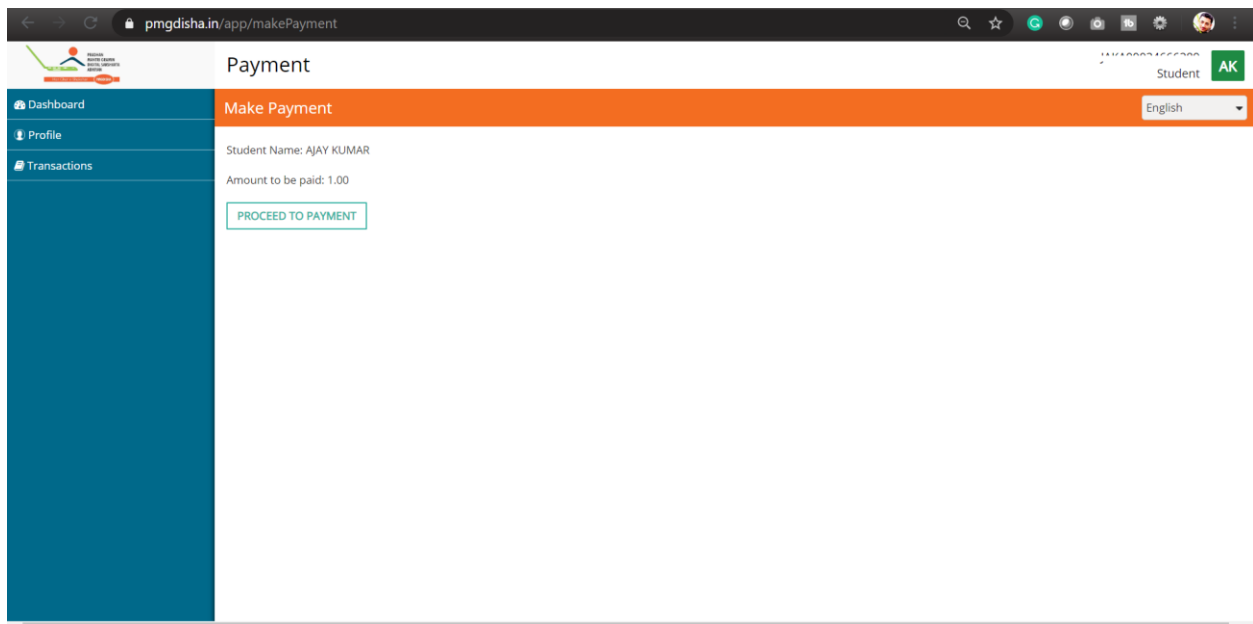

Step-2 – Candidate fill the all required student outcome fields and submit the form.

Step-3—Once fill the outcome details . Make Payment option will be available on screen.

Step-4— After confirmation candidate details with Amount information displayed on screen click on proceed to payment option.

Step-5 - Candidate will enter the UPI id which will be mentioned on screen.

The screenshot shows a web browser window with the URL `auth.pmgdisha.in/pgmock/submit`. The page header is "CSC eGovernance India Services Ltd". A yellow banner at the top contains the instruction: "Enter 'paymentdemo@vpa' in the below input field". The main content area is titled "Payment Portal" and contains the text "Please enter the payment address to make the payment". Below this is an input field with the placeholder text "Enter VPA". Underneath the input field, it says "By continue you will be preceding with the payment" and a blue "Continue" button. To the right, there is a summary table:

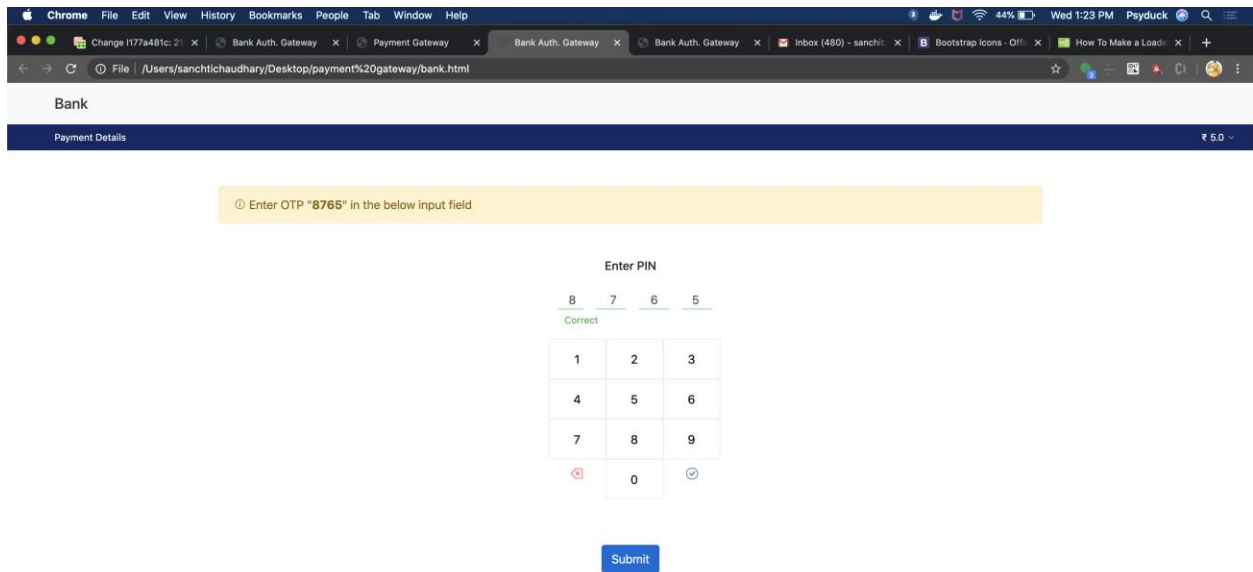

Transaction ID	18737410
Amount	₹1.0
Total Amount	₹1.0

Step-6 - After entering the correct UPI id candidate will be asked to enter the pin which will also be visible on screen. If the candidate has entered incorrect pin the below mentioned error message will be displayed and will be asked to re-enter the pin through keyboard.

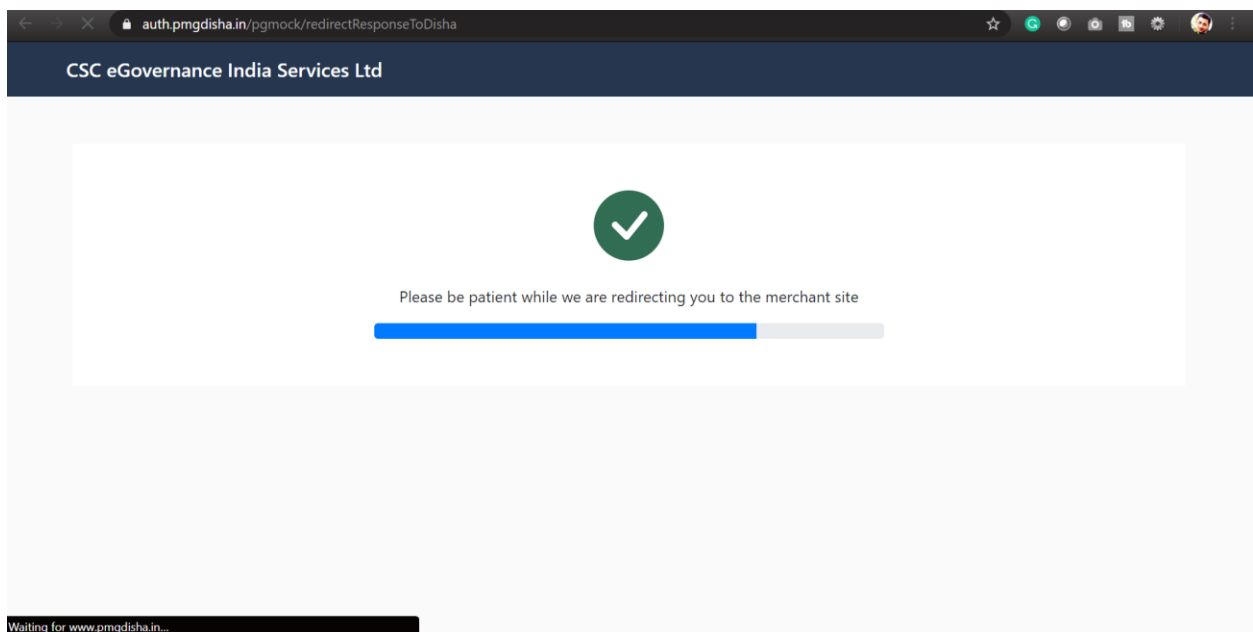

The screenshot shows the same web browser window as in Step 5. The yellow banner still contains the instruction: "Enter 'paymentdemo@vpa' in the below input field". The input field now contains the text "payment@vpa". Below the input field, a red error message is displayed: "*please check the payment address entered". The text "By continue you will be preceding with the payment" and the blue "Continue" button are still present. The summary table on the right remains the same:

Transaction ID	18737410
Amount	₹1.0
Total Amount	₹1.0

Step-7 - Once the candidate has entered the correct displayed pin they will be notified that the pin is correct and will proceed for the payment.

Step - 8- Final payment completion page will be displayed.

Step - 9- Payment Response page will be displayed.

The screenshot shows a web browser window with the URL `pmgdisha.in/app/paymentResponse`. The page title is "Payment Response". In the top right corner, the user is identified as "JAKA00024666289 Student" with a profile icon labeled "AK". A language dropdown menu is set to "English". On the left, a navigation sidebar includes "Dashboard", "Profile", and "Transactions". The main content area features a green success message: "Payment Successful. Your Payment has been successfully processed. Here are the Details of this transaction for your reference." Below this message, the transaction details are listed: "Transaction Id:- 18737410" and "Amount:- 1.0". At the bottom of the details, there are two buttons: "BACK TO TRANSACTIONS" and "PERFORM ANOTHER TRANSACTION".
